

Heating, Ventilation, Air Conditioning and Refrigeration Technician Option (HVA.HVT.AAS)

Associate in Applied Science

Engineering/Manufacturing and Industrial Technology

Auburn Hills Campus

This program leads to an Associate in Applied Science degree with specialization in Heating, Ventilation, Air Conditioning and Refrigeration.

The program is designed to qualify students for occupations and careers in air conditioning, heating and refrigeration, system designers, estimators, manufacturers' representatives, equipment fabricators, application technicians, salespeople, installation mechanics, service people, maintenance mechanics and many other related skilled and semi-skilled positions.

High school graduates who completed state-approved career and technical education (CTE) programs may be eligible to receive college credit for work completed while in high school. Detailed information can be obtained by contacting an OCC Counseling Office or by visiting www.oaklandcc.edu/articulation (<http://www.oaklandcc.edu/articulation/>).
