## Library Services and Technology (LIB.ONL.AAS) - 100% Online

### Associate in Applied Science

#### Human Services

Auburn Hills Campus

This associate in applied science degree is designed to prepare students for employment as library and/or information technicians in a wide variety of resource delivery settings, e.g., public, academic, school, business, medical, and legal.

The program gives the student experience in library technology, public services, circulation procedures, cataloging, and document delivery. Students will develop career skills in a required 90-hour practicum arranged at a library of his or her choice.
