- Technological Sciences (TSC.AAS) (http://catalog.oaklandcc.edu/programs/technological-sciences/technological-sciences-aas)

Technological Sciences Courses

TSC 2002  Special Topics in Technological Sciences: Engineering Design ........................................... 1 Credit Hour
English/ESL Placement: Placement into ENG 1060 or higher (or placement into ESL 2510 or higher for students taking the ESL sequence of courses).
Prerequisite: Consent of instructor.
Engineering Design. BILLABLE CONTACT HOURS: 1

TSC 2012  Special Topics in Technological Sciences: Mechatronics Capstone .................................................. 2 Credit Hours
English/ESL Placement: Placement into ENG 1060 or higher (or placement into ESL 2510 or higher for students taking the ESL sequence of courses).
Prerequisite: Consent of Instructor.
Mechatronics Capstone. BILLABLE CONTACT HOURS: 2

TSC 2014  Special Topics in Technological Sciences: Shopfloor Networking ....................................................... 2 Credit Hours
English/ESL Placement: Placement into ENG 1060 or higher (or placement into ESL 2510 or higher for students taking the ESL sequence of courses).
Prerequisite: Consent of Instructor.
Shopfloor Networking. BILLABLE CONTACT HOURS: 2

TSC 2016  Special Topics in Technological Sciences: Custom Paint ............................................................... 2 Credit Hours
English/ESL Placement: Placement into ENG 1060 or higher (or placement into ESL 2510 or higher for students taking the ESL sequence of courses).
Prerequisite: Consent of Instructor.
Custom Paint. BILLABLE CONTACT HOURS: 2

TSC 2019  Special Topics in Technological Sciences: Pre-Apprentice College Readiness ...................................... 1 Credit Hour
English/ESL Placement: Placement into ENG 1060 or higher (or placement into ESL 2510 or higher for students taking the ESL sequence of courses).
Prerequisite: Consent of Instructor.
Topics in Technological Sciences will provide students with a focus on Engineering and/or Technology related applications. The topics will vary from semester to semester and will be announced in the corresponding Schedule of Classes. BILLABLE CONTACT HOURS: 1

TSC 2020  Special Topics in Technological Sciences: Advanced Machine Tool ..................................................... 3 Credit Hours
English/ESL Placement: Placement into ENG 1060 or higher (or placement into ESL 2510 or higher for students taking the ESL sequence of courses).
Prerequisite: Consent of Instructor.
Advanced Machine Tool. BILLABLE CONTACT HOURS: 3

TSC 2012  Special Topics in Technological Sciences: Mechatronics Capstone .................................................. 2 Credit Hours
English/ESL Placement: Placement into ENG 1060 or higher (or placement into ESL 2510 or higher for students taking the ESL sequence of courses).
Prerequisite: Consent of Instructor.
Mechatronics Capstone. BILLABLE CONTACT HOURS: 2

TSC 2014  Special Topics in Technological Sciences: Shopfloor Networking ....................................................... 2 Credit Hours
English/ESL Placement: Placement into ENG 1060 or higher (or placement into ESL 2510 or higher for students taking the ESL sequence of courses).
Prerequisite: Consent of Instructor.
Shopfloor Networking. BILLABLE CONTACT HOURS: 2

TSC 2016  Special Topics in Technological Sciences: Custom Paint ............................................................... 2 Credit Hours
English/ESL Placement: Placement into ENG 1060 or higher (or placement into ESL 2510 or higher for students taking the ESL sequence of courses).
Prerequisite: Consent of Instructor.
Custom Paint. BILLABLE CONTACT HOURS: 2

TSC 2019  Special Topics in Technological Sciences: Pre-Apprentice College Readiness ...................................... 1 Credit Hour
English/ESL Placement: Placement into ENG 1060 or higher (or placement into ESL 2510 or higher for students taking the ESL sequence of courses).
Prerequisite: Consent of Instructor.
Topics in Technological Sciences will provide students with a focus on Engineering and/or Technology related applications. The topics will vary from semester to semester and will be announced in the corresponding Schedule of Classes. BILLABLE CONTACT HOURS: 1

TSC 2020  Special Topics in Technological Sciences: Advanced Machine Tool ..................................................... 3 Credit Hours
English/ESL Placement: Placement into ENG 1060 or higher (or placement into ESL 2510 or higher for students taking the ESL sequence of courses).
Prerequisite: Consent of Instructor.
Advanced Machine Tool. BILLABLE CONTACT HOURS: 3

TSC 2012  Special Topics in Technological Sciences: Mechatronics Capstone .................................................. 2 Credit Hours
English/ESL Placement: Placement into ENG 1060 or higher (or placement into ESL 2510 or higher for students taking the ESL sequence of courses).
Prerequisite: Consent of Instructor.
Mechatronics Capstone. BILLABLE CONTACT HOURS: 2

TSC 2014  Special Topics in Technological Sciences: Shopfloor Networking ....................................................... 2 Credit Hours
English/ESL Placement: Placement into ENG 1060 or higher (or placement into ESL 2510 or higher for students taking the ESL sequence of courses).
Prerequisite: Consent of Instructor.
Shopfloor Networking. BILLABLE CONTACT HOURS: 2

TSC 2016  Special Topics in Technological Sciences: Custom Paint ............................................................... 2 Credit Hours
English/ESL Placement: Placement into ENG 1060 or higher (or placement into ESL 2510 or higher for students taking the ESL sequence of courses).
Prerequisite: Consent of Instructor.
Custom Paint. BILLABLE CONTACT HOURS: 2

TSC 2019  Special Topics in Technological Sciences: Pre-Apprentice College Readiness ...................................... 1 Credit Hour
English/ESL Placement: Placement into ENG 1060 or higher (or placement into ESL 2510 or higher for students taking the ESL sequence of courses).
Prerequisite: Consent of Instructor.
Topics in Technological Sciences will provide students with a focus on Engineering and/or Technology related applications. The topics will vary from semester to semester and will be announced in the corresponding Schedule of Classes. BILLABLE CONTACT HOURS: 1

TSC 2020  Special Topics in Technological Sciences: Advanced Machine Tool ..................................................... 3 Credit Hours
English/ESL Placement: Placement into ENG 1060 or higher (or placement into ESL 2510 or higher for students taking the ESL sequence of courses).
Prerequisite: Consent of Instructor.
Advanced Machine Tool. BILLABLE CONTACT HOURS: 3

TSC 2012  Special Topics in Technological Sciences: Mechatronics Capstone .................................................. 2 Credit Hours
English/ESL Placement: Placement into ENG 1060 or higher (or placement into ESL 2510 or higher for students taking the ESL sequence of courses).
Prerequisite: Consent of Instructor.
Mechatronics Capstone. BILLABLE CONTACT HOURS: 2

TSC 2014  Special Topics in Technological Sciences: Shopfloor Networking ....................................................... 2 Credit Hours
English/ESL Placement: Placement into ENG 1060 or higher (or placement into ESL 2510 or higher for students taking the ESL sequence of courses).
Prerequisite: Consent of Instructor.
Shopfloor Networking. BILLABLE CONTACT HOURS: 2

TSC 2016  Special Topics in Technological Sciences: Custom Paint ............................................................... 2 Credit Hours
English/ESL Placement: Placement into ENG 1060 or higher (or placement into ESL 2510 or higher for students taking the ESL sequence of courses).
Prerequisite: Consent of Instructor.
Custom Paint. BILLABLE CONTACT HOURS: 2

TSC 2019  Special Topics in Technological Sciences: Pre-Apprentice College Readiness ...................................... 1 Credit Hour
English/ESL Placement: Placement into ENG 1060 or higher (or placement into ESL 2510 or higher for students taking the ESL sequence of courses).
Prerequisite: Consent of Instructor.
Topics in Technological Sciences will provide students with a focus on Engineering and/or Technology related applications. The topics will vary from semester to semester and will be announced in the corresponding Schedule of Classes. BILLABLE CONTACT HOURS: 1

TSC 2020  Special Topics in Technological Sciences: Advanced Machine Tool ..................................................... 3 Credit Hours
English/ESL Placement: Placement into ENG 1060 or higher (or placement into ESL 2510 or higher for students taking the ESL sequence of courses).
Prerequisite: Consent of Instructor.
Advanced Machine Tool. BILLABLE CONTACT HOURS: 3
