ESL Placement Level: For English-as-a-Second-Language (ESL) students, placement in ESL 2520.

Note: Prerequisites for courses in this department are not automatically waived for College Guest students and students with a bachelor's degree or higher from a U.S. institution.

This is an introductory course focused on generalist social work practice and human services. The various concepts and frameworks that practitioners use to understand and support individuals, groups, communities, and organizations within their social contexts will be explored. The course will explore current topics and career opportunities in social work including licensing requirements, human services and other mental health fields. **BILLABLE CONTACT HOURS: 3**

MHS 2010 Ethics and Values in Mental Health ...3 Credit Hours

ESL Placement Level: For English-as-a-Second-Language (ESL) students, placement in ESL-2520.

Note: Prerequisites for courses in this department are not automatically waived for College Guest students and students with a bachelor's degree or higher from a U.S. institution.

This course introduces professional ethics and values from a variety of mental health professions, including Social Work. Assessment of individuals, families, groups, and communities from an ethical perspective will be conducted. This course will discuss the challenges of negotiating value conflicts that emerge between the worker, professional standards, agency, and personal religious values. Honest and professional use of self, self-care, and cultural competency are introduced as foundational components of ethical practice. **BILLABLE CONTACT HOURS: 3**

MHS 2100 Interviewing, Assessment, and Case Work Skills3 Credit Hours

Equivalent: MHA 2100

ESL Placement Level: For English-as-a-Second-Language (ESL) students, placement in ESL 2520.

Prerequisite: MHS 2000 with a grade of 'C' or better or consent of program coordinator.

Note: Prerequisites for courses in this department are not automatically waived for College Guest students and students with a bachelor's degree or higher from a U.S. institution.

This course focuses on the basic skills of interviewing, assessment and case work in social work and mental health practice. Interactive activities, observations, and case studies will be used to teach interviewing techniques, including issues in cross-cultural interviewing. The course will introduce assessment strategies and treatment planning as well as case management, documentation skills, development of a service plan, and successful termination and discharge. **BILLABLE CONTACT HOURS: 3**

MHS 2300 Interpersonal Theory and Practice 3 Credit Hours

Equivalent: MHA 2300

ESL Placement Level: For English-as-a-Second-Language (ESL) students, placement in ESL 2520.

Prerequisite: MHS 2010 with a grade of 'C' or better or consent of program coordinator.

Note: Prerequisites for courses in this department are not automatically waived for College Guest students and students with a bachelor's degree or higher from a U.S. institution.

This introductory course will focus on a variety of theories used in social work and other mental health professions including the ecological, strengths-based, and cognitive behavioral models. Interpersonal skills such as engaging with a variety of clients and building rapport through the use of empathy will be discussed as well as case management, assessment, treatment, and goal planning. **BILLABLE CONTACT HOURS: 4**
