

General Accounting (ACC.GA.CT)

Certificate

Business, Management, Marketing and Technology

This option is intended for individuals who desire entry-level employment in the field of general accounting. Successful completion of this option will result in a Certificate in General Accounting. Eligibility for this certificate is dependent upon the student achieving a 'C' or better in each of the required courses. The student may choose to continue and complete an Associate in Business Administration or an Associate in Business Administration with a concentration in Accounting.
