

# Criminal Justice - Generalist (CRJ.GEN.AAS)

## Criminal Justice - Generalist (CRJ.GEN.ONL.AAS) - 100% Online

### Associate in Applied Science

#### Human Services

Auburn Hills Campus (also available fully online)

This program provides experiences related to criminology, criminal law, legal procedures, and social values.

The Criminal Justice Generalist program provides students with an educational background in police procedures and administration, plus extensive experience in additional subjects relating to the criminal justice field. Graduation fulfills entrance requirements for the Police Academy at OCC.

Graduates choosing not to pursue sworn police officer status may be employed as civil servants or choose to continue their education at the Bachelor level.

The Criminal Justice Generalist program is designed to provide students with the courses necessary to meet 2 + 2 and 3 + 1 degree requirements for institutions offering Bachelor Degrees in Criminal Justice.

Students selecting this major are strongly advised to meet with an OCC counselor throughout their program of study for courses that might be required at the transfer college you plan to attend.

Graduating from this program does not automatically qualify the student for the Michigan Transfer Agreement (MTA) endorsement. Students in this program seeking MTA endorsement should work closely with an OCC counselor to identify courses from the MTA List and appropriate math courses for transfer purposes which apply to the endorsement and to degree requirements.
