

Library Services and Technology (LIB.CA)

Library Services and Technology (LIB.ONL.CA) - 100% Online

Certificate

Human Services

Royal Oak Campus

This certificate of achievement is designed to prepare students for employment as library and/or information technicians in a wide variety of resource delivery settings, e.g., public, academic, school, business, medical, and legal.

The program gives the student experience in library technology, public services, circulation procedures, cataloging, and document delivery.

Students will develop career skills in a required 90-hour library practicum arranged at a library of his or her choice.
