

Medical Assisting - Phlebotomy (MDA.PHT.CA)

Certificate of Achievement

Health Sciences

Highland Lakes Campus

This option is intended for individuals who desire entry-level employment as a phlebotomist in area labs or hospitals. Successful completion of this option will result in a certificate of achievement in Phlebotomy. Eligibility for this certificate is dependent upon the student achieving a "C" (2.0) or better in each of the required courses. The student may wish to continue and complete an Associate of Applied Science or Certificate in Medical Assisting. Completion of the mandatory Medical Assisting Program orientation is required.

A mandatory criminal history check will be conducted on all students prior to the start of the program. 1) Conviction of a felony or any attempt to commit a felony within the 15 years immediately preceding the date of the criminal history check; or 2) Conviction of a misdemeanor within the 10 years immediately preceding the criminal history check, will preclude eligibility for admission. For details, contact **(248) 942-3069**.
